## FOREWORD

It gives me great joy and I count it a big honour to write the foreword to this masterpiece that describes love in the most powerful form. I met **Temidayo** some years ago and I can attest that she is a virtuous lady who has discovered the best kind of love and she is doing her best to make sure everyone discovers this love, I am so glad she has decided to use her pen on a bigger platform.

As a writer and a coach I have had to talk with people and I have discovered that a lot of people suffer from a similar syndrome and that is the need for love and validations. People spend their days chasing relationships that will never work because we just want to be loved. We as humans are wired with the need for affection and we will always want more, the human need is insatiable.

We can't fold our arms and watch while the devil steal the hearts of men and as kingdom ambassadors it is our duty to share the love and joy we have experienced in Christ. The world is in need of love and this book **"Love beyond words"** was born for such a time as this. Each poem describes the reckless Love of God in simple but powerful words.

Anyone who has encountered the love of God will know that it is the best feeling and nothing can be compared to it! When you try to imagine the love of God and why His only son would have to pay the price for what he knew nothing about, I mean how can that kind of love be described it is definitely words! No wonder the bible says in John 15:13 that ***"Greater love has no one than this, that someone lay down his life for his friends"*** (ESV).

The author portrays the Love of the father in poetic rhymes that makes it so simple, rich, electrifying and alluring. It is a book that is

simple and precise and I can bet it is going to be worth your time. I encourage you to read this book and also encourage your friends to get theirs. Well done Temidayo you have written a great book and I must say I'm proud of your gift, this book is worth reading and even kept for the next generation!

Dear reader, you are in for a great ride. Enjoy and I pray you discover that love that is beyond words which will keep you going for the rest of your life.

Yours,

**Onome Omodara**

# No Greater Love

*No one has greater love than this - that one lays down his life for his friends.*

John 15:13

Ogunleye Bolanle Temidayo

## WE WEREN'T A PEOPLE

I knew it  
when the trumpet blew  
We were at risk  
uncircumcised, we aren't Jews

Mother wept in bitterness  
Fathers couldn't lift the ban  
with the covenant, we had no business  
ours was not a chosen clan

There was no shield  
like chickens, we ran helter-skelter  
the pleas of our forefathers didn't yield  
and there was no shade in the shelter

This story I tell,  
of a life without safety,  
so many men fell  
even the high and mighty  
none could hide in a shell

Then, came He to our rescue  
wiping our tears,  
He saved us from death's queue,  
taking away our fears

He came to lift our heads  
just as we surrendered and yielded

a voice to the unheard  
He came and got us shielded  
Wow! We're now a people  
bond by His love and blood  
We're now His temple,  
a people saved by His blood

Hallelujah, we aren't ants,  
bound in fear of giants  
We can now say "Father"  
as partakers of the Covenant  
Hallelujah !

*"For you did not receive the spirit of slavery leading again to fear, but you received the Spirit of adoption, by whom we cry, "Abba, Father." (Rom 8:15, Rom.9:26, Gal. 4:16).*

## HIS BLOOD, THE TOKEN

He was beaten till He became swollen  
all from a heart, so golden  
to save the heavy-laden

His death was quick and sudden  
He died to lift our burdens  
and to receive the forsaken

I know He loves me  
our love can't be broken  
it's more than men 've spoken  
for His blood was the token

Halleluyah!  
Only Jesus saves  
His word cannot be broken

## HE BORE IT ALL

Bearing all the shame,  
He gave His crown away  
like a lamb led to be slain  
yet, He leads the way

All of His earthly days  
He left His heavenly fame  
yet, He loved us without sway,  
to save us from sin and shame

He was mute without a say  
now His name  
has brought us from the miry clay  
for He took the pain and shame

He suffered like none can say  
so that we can live  
He came to our rescue without delay  
and the enemy has nothing to say

You're worthy Jesus  
for your love, none can pay  
we're freed from the blame  
because your love came to stay

Thank you Jesus

## BELOVED

Do you know you're loved  
for He calls you "Beloved"  
yes, I mean you're His love

He's been searching  
all around for you  
He's standing in gap for you  
He doesn't want you to live without him

Still wondering?  
I'm talking about you  
yes you, He cares for you

Stop roaming around  
don't remain on the ground  
hear His voice from the background

He's searching for you  
all around for you  
He's standing in gap for you  
He doesn't want to live without you  
Yes, Jesus loves you

## Part Two

# Everyone Needs Him

*"Behold I stand at the door and knock; if any hear my voice and open the door, I will come into their house and eat with them, and they will eat with me"-  
Revelations 3:20*

*"There is a longing in the heart of every man that only God can fill, nothing else will satisfy, not even material things.*

*Jesus is the only one that can fill that longing ..."*

*Rev. Olusola Areogun*

## DO YOU HAVE A SPACE?

The Manager echoed;  
"No space in here  
you can manage there  
no space in this inn  
the manger is open, go in!"

Doors were shut against "The Door"  
treated as though He was poor  
with the sheep, He shared the floor

King Herod didn't bring a pin  
but Wise Men traced the Inn.  
born in Bethlehem,  
He died not out of Jerusalem

Open up your heart,  
let Him in  
He is the best kin  
If He isn't in  
then, trouble sets in

Open your heart, let Him in  
Everyone needs Jesus

## THE NEEDED CHANGE

You've been in bondage  
for times and age(s)  
you look happy as you engage  
but sin got you into damage  
when you enjoyed the sinful porridge

After the rampage,  
guilt has been on your page  
and you're in its cage,  
getting the terrible wage  
to no avail, you sought a change

Your broken pieces you seek to arrange,  
it never worked, so you try to manage,  
covering up in smiles and charming carriage  
on life's stage  
even as you age  
Oh! You need a change

Listen! It matters not your age  
Only Jesus can give the change  
it matters not the devil's rage  
nor your addiction range  
Jesus is the needed change

Oh! He paid your price from the beginning of age  
The Lamb was slain to give you a new page  
come start afresh, don't remain in the cage  
Invite Jesus, invite the needed change

*Come boldly to the throne of grace to obtain mercy in times of need  
(Heb. 4 v 16).*

## DO YOU WANT PEACE?

A Man once told his Niece;  
"Niece, If you ever want peace,  
You need the Prince of Peace"

I searched for peace,  
I searched for it like a broken piece  
until I met Jesus, the Prince of Peace

I suffered from a terrible disease  
I had nothing near ease  
I felt the pain even on my pancreas  
until Jesus gave me ease

Hmm, my dear niece,  
In the search for peace  
many try fixing their lives like a piece  
but it never works without the Prince of Peace

Like a Man suffering a disease,  
so is a man with no release,

the release of God's ease

Yeah, such Men decrease  
but the man in Christ, increases  
for God's grace is the needed grease

Dear, your life is a lease  
your flesh isn't yours to please  
for only His blood can cleanse  
nothing else can appease

His mercies never cease  
His grace is the needed grease  
so, come to Jesus, the Prince of peace

## REBIRTH

Birth after birth  
it's a great rebirth  
Yeah, so great, it saves from plight  
'cos without it, Men suffer at night

I'm grateful for the rebirth  
It's the essence of my birth  
none could get it by might  
It's done only through Christ

Dear, God does not need your tithe,  
it's useless without the rebirth  
outside Christ, you gotta fret,  
with your battles, yours alone to fight

It's so pathetic,  
without it, you'll miss the flight,  
though demons flee at your sight  
yet, don't miss the heavenly sight

For the enemy is ready to bite,  
all that lose heaven's light  
Look! all these lovely heights  
are useless without Christ

Never lose sight  
no, not of the heavenly flight

*"For you know quite well that the day of the Lord will come in the same way as a thief in the night"*

He Loves You Still, Despite All

## Part Three

# He Loves You Still, Despite All...

*But God has shown us how much he loves us--it was while we were still sinners that Christ died for us!--ROMANS 5:8*

## WRETCHED BUT SAVED

I started smoking at ten  
I went clubbing all evening till ten  
At twenty, marijuana was my pen  
I was so empty and barren  
I thought Jesus belonged to Children,  
and Christianity ended in Athens  
To me, Men should be slaughtered as hens  
I didn't care about other Men  
I robbed men of clothes and linen  
I was the worst of all Men

A day came, I felt near my end  
I was so heart broken  
I wanted to make amends  
I felt my life was out of amends  
I tried but failure was the trend  
I was one whose world couldn't bend  
I felt terrible like my life would end  
Until I met "the beginning and the end"

He came in, and changed my trend  
He rescued me, for His love never ends  
It is far above all stipends  
Now, His grace helps me make amends  
He is indeed a trusted friend  
That's not the end

Here's the gist  
By grace, I can now resist,  
Even when temptations persist  
For His Spirit is there to assist  
And He holds my wrist  
I live by His word in my fist  
I'm changed, I'm an Evangelist

Dear, what's your History?  
Jesus can change your story  
Regardless of your history  
You don't have to end in the gory  
Come to Jesus, Come into glory  
For His blood paid your dowry  
Don't end up in a sorrowful gory

He Loves You Still, Despite All

Come to Jesus, Join His Glory

Hallelujah

*But if we confess our sins, he is faithful and righteous, forgiving us our sins and cleansing us from all unrighteousness.*

## Part Four

# At The End Of Time...

*“The devil is not afraid of your wishes, he is afraid of your decision. The difference between a wish and a decision is that actions follow decisions, while nothing is done to wishes”*

***Rev. Olusola Areogun.***

Make a decision to be for Jesus!

At the End of time

## HE SHALL COME

He promised to come, didn't He?  
He promised to come, where is He?

Like an unwanted thief  
He is going to come  
to take His people from grief  
He's going to come

This is so true,  
His word is certain  
He'll come, for He is true  
so dear, live pure without a stain

*Get prepared!*  
**1Pet.3; 10**

**JesusCares**

## HELL

A place with the most horrific smell  
full of yelling and satanic spells  
it's torture supersedes that of any cell  
It's the sinner's final shell

Dear Friend,  
the world is a Market where Men buy and sell  
don't be lost in its sinful spell  
hear the gospel as I tell  
hearken to the salvation bell  
that you may rest in Heaven where all is well.

## WHERE WILL YOU BE?

Many came but are gone  
many living will soon be gone  
no Man on Earth will not be gone  
where will you be?

When your achievements become as none  
then, many works will burn,  
remaining not even one  
where will you be?

When all is said and done,  
blood-washed saints will be airborne  
God will judge everyone  
no one will stand for anyone  
where will you be?

Though you dress as a Nun,  
living generously like the sun  
without Christ your reward is none  
no, not even one  
where will you be?

You steal and kill with your gun  
smooching, pecking as you watch porn,  
enjoying sin like sweet corn  
getting lost in the so-called fun  
hmm! all will soon be bygone  
where will you be?

Heed to me as I warn  
that in hell you may not burn  
to Jesus, the only Savior, run

no Friend like him, no not one

Time's UP and GONE  
be secured when all is gone  
Decide! when all is gone,  
Where will you be?

*The night is far spent and the kingdom of God is at hand, therefore cast off the works of darkness and put on the whole armor of light (**Rom. 13 v12**),  
“And behold I come quickly, and my reward is with me, to give every man according as his work shall be. (**Rev. 22 v 12**)*

## Part Five

# Redeemed, Full Of Testimonies

*“But as many as received him, to them gave He power to become the sons of God, even to them that believe on His name”*

*- John 1:12*

*“An encounter with Jesus does not leave any man the same”*

## I WAS LOST

I was lost  
I gave myself at no cost  
Like a Man made from dust  
I lived in an overwhelming lust

I didn't get myself anymore  
Nothing seemed interesting anymore  
I indulged in it a little more  
But I kept losing more

The more I tried, the more I sank  
I fell into the river from the plank  
My mind became so blank  
Nothing was left in my "memory bank"

I was sinking and dying  
But Jesus came to my rescue  
He came when I had no clue  
He found me, He came to my rescue

Hallelujah!

We're no longer slaves

## ANGER HELD ME CAPTIVE

I was nicknamed anger  
a name earned,  
not from hunger  
It was a natural ginger  
when in grip of anger,  
I could use a dagger,  
an instrument of danger

My eyes would go red  
though I was "well-read"  
It was so bad, I seriously erred

It was similar to sango  
I never acted a "bingo"  
Anger was my logo  
even when I left for Togo  
It was in me, I couldn't let go

Until I saw I was in danger,  
a slave ruled by anger

I lived apart like a stranger  
but, I found solace in a ranger,  
who was born in the manger

Since then,  
Christ has been my manager  
I'm now free from danger  
I can't be ruled anymore by anger

Now,I've got a new logo  
I've no unnecessary Cargo  
I rep Christ everywhere I go  
I'm no longer a slave

Romans 6:16

*Do you not know that if you continually surrender yourselves to anyone to do his will, you are the slaves of him whom you obey, whether that be to sin, which leads to death, or to obedience which leads to righteousness (right doing and right standing with God)?*

## Glossary:

**Sango:** *a Yoruba diety, Known as “the god of thunder”. Mythology has it that he spits fire to express his anger.*

**Bingo:** *In this context, Bingo means a calm domestic dog.*

## Part Six

# The Hanging Purpose...

*"Then said I, Behold , I came ; in the volume of the book it is written of me"-Psa.40:7*

**AN ABUSE**

You were made for the pulpit  
but since you joined the bandits,  
you're fast becoming a culprit

Your strength and skills  
are your God- given kits  
you shouldn't leave without a blueprint  
make a U-turn, don't fall into devil's pit

JesusCares  
© **TemidayoRiches**

**COME BACK HOME!**

Father ceased taking his coffee  
Mother murmurs like a bee

Since you left to stray  
Since you went away  
Since that fateful day

When you left the Father's vine  
and you went spending on wine  
till you went low to the swine

You need not suffer any more  
You're worth so much more

You aren't destined to roam  
Come back home!  
Stay no longer in Rome  
Come back home!

For days outside the Father's will  
are days wasted in the valley

JesusCares

## Part Seven

# The Great Mandate

*“And He said unto them, Go ye into all the world , and preach the gospel to everyone”*

*Mark 16:15*

**No sinning soul is beyond our reach...**

*“For I am not ashamed to preach the gospel of Christ for it is the power of God unto salvation to every one that believe: to the Jew first and also to the Greek.  
(Rom.1 v 16)*

*“For though I preach the gospel, I have nothing to glory of: for necessity is laid upon me; yea , woe is unto me , if I preach not the gospel.( 1Cor.9 v 16).*

## OUT-REACH

It's time for an outreach  
no Soul is beyond our reach  
in prayer and as we preach  
in the land and at the beach

Guard your loins, let's build the breach  
doing first, what we preach  
don't stay-put, not moving an-inch  
lives are at stake, waiting for your reach

Jesus said, Go out and preach  
He came for all, even for the witch,  
so as you teach,  
save lives from the ditch  
let's go to fish on the pitch

Put on the gospel switch  
with God's word as the stitch,  
let's mend lives where it hitch  
do it, preach it and teach,  
its worthy, so let's preach  
Only the blood of Jesus gives sin a bleach

The blood of Jesus cleanses from all shames and guilt

## **SHE CAN BE SAVED**

That's the girl who once aborted  
She was the one who stole  
I've told you, that's why she's hated  
She can't be made whole

I know her story, she cheated  
She's fallen into a deep hole  
her virtues are forfeited  
do you know she slept with Cole?

Hmm, she is so wasted  
She'll do anything for a sinful dole  
yet, she's always excited  
as she plays her dirty role

Abba! Sister, you were tested  
stop spreading it like a mole,  
why're you so delighted?  
that a soul is fallen into the hole

Yes, she erred, she's unwanted  
yet, you should be her standing pole,  
praying for her till she's recreated  
a brand new life, from head to toe

Then, her sins won't be counted  
love her like a godly prole  
for God has invested  
so, stop running pillar to pole

It's time to harvest her soul  
save a dying soul

for beautiful is the sole  
that goes all the way,  
Saving the lost soul

*"How beautiful upon the mountains are the feet of him who brings good tidings, who publishes peace, who brings good tidings of good, who publishes salvation, who says to Zion, Your God reigns!" Isaiah 52:7, Dan. 12:3*

JesusCares

© **TemidayoRiches**

## HARVEST

Gird your belt  
put on your vest  
give your strength, give your best  
keep them abreast  
for without Jesus, no Man is at rest

Come, let's gather the rest  
leaving nothing left  
on the right and on the left  
for it's time to harvest

Zion, don't be at rest,  
giving salvation is the best  
Arise! It's time to harvest

## TRACT

Give a tract  
It's truer than Facts  
It's the best of all chats,  
bringing the real contract

Give a tract  
spread the wonderful story of love  
sent from God to the lost  
let hell feel the great loss

Give a tract  
save a dying soul from condemnation  
that he may enjoy justification  
and eternal glorification

Give a tract  
It's a glorious act  
Placing Men in the right pact

Instead of the wrong chat,  
Give a tract today!

## NONE CAN STOP IT!

History had it  
Gamaliel said it  
If God founded it,  
none can stop it!

Many Men had followers  
They grew in their numbers,  
but they were confounded  
and never flourished

Some followed Theudas  
some were loyal to Judas  
but they were confounded  
and never flourished

Haven't you heard?  
It was opposed in the ages  
With the knowledge of the sages  
Yet, it keeps spreading  
And Men keep yielding

All efforts to stop it,  
end up fueling it  
It's the gospel,  
none can stop it!

It's not pidgin,  
God is the origin  
The BLOOD is its engine,  
Undefeatable is the gene

It keeps spreading  
It can't stop spreading

Hallelujah! It is of God  
No god nor lord,  
can stop it!

*Dear Friend,*

This is a token of my heart to you; I have been looking for a way of getting across to you. I have big and great plans for you. You know you mean so much to me. You've always been on my heart and I take my time to watch over you because you're worth more than you think, in my heart.

You might have been made to think you do not worth anything but I know your worth and that is why I went all the way for you, laying down my life for you. I LOVE YOU. I watch over you with a great hope that you will make a decision to receive me into your heart.

I see your sighs, I see you when your heart is broken and it seems you are left alone. It'll be a great joy to help you, come unto me, all you that are weak and heavy laden, I will give you rest". You mean a lot to me but you have the power of your will, you can decide to take my help and you will find me. All you need to do is to invite me in. I know you can't help yourself but I'm willing to help you out of your sins, struggles, pains and shame. Allow me into your heart today.

**I LOVE YOU DEARLY.**

*Your eternal friend,*  
*Jesus.*

To accept Jesus as your Lord and Saviour, pray this sinner's prayer.

*Dear heavenly father,*

*I realize I am a sinner with no relationship with you. I acknowledge my sins before you and I ask your pardon for these sins because of the work of your Son, Jesus Christ. I repent and turn away from my sinful past now and ask you Lord Jesus to come into my heart now as my Lord and Saviour.*

*Thank you for doing it Lord. (Amen)*

*Congratulations!*

## ABOUT THE BOOK

Love Beyond Words is a collection of divinely inspired poems, written with the help of the Holy Ghost to communicate the love of the Father (God) to his children, and by extension of mercy, to sinners also.

We now live in a world where the use of the word "love" has been perverted due to the lack of understanding of its true meaning.. This misunderstanding has left many wounded, some hurt, and countless damaged but here is a great succor.

The author not only showed what true love is, she took us to the source of true love – Jesus.

Follow her on this anointed poetic journey, as she takes you to the discovery of what genuine love is.

Read and be blessed.
